What is SULLALUNA?

Sullaluna is a unique concept born in Venice and now also in New York City. It's an independent Italian bookshop specializing in beautifully curated illustrated books and design, with titles in both Italian and English. Deeply rooted in a love for visual storytelling and literature, Sullaluna promotes a thoughtful, creative, and poetic approach to reading through a variety of events.

In New York, Sullaluna NYC expands this vision by becoming a cultural space and Italian bistro in the heart of the West Village. Alongside the bookshop, guests can enjoy an authentic culinary experience from breakfast to dinner and participate in readings, presentations, and artistic gatherings that celebrate Italian culture and beyond.

Whether in Venice or New York, Sullaluna is a place where books, food, and cultural experiences come together to create moments of inspiration and connection.
